

Take a Stake in Our Lake

A family-friendly event to celebrate the Lake Champlain Basin and share ways we can take action to improve and protect water quality.

Thursday
JUNE 1
4-7:30 PM
St. Albans Bay
Town Park
Stonehouse
596 Lake Road
St. Albans
Free food & fun!

At this hands-on event, you can:

- Try your hand as a stream engineer with a model stream table
- Learn how to attract pollinators to your shoreline through native plantings
- Explore how water infiltrates into soil, and how you can improve soil health
- Find out about how to gain recognition in Vermont’s Lake Wise program
- Learn about a home audit for homeowners to minimize stormwater runoff
- Learn simple lake friendly lawn care practices
- And more!
